TEAM MISSOURI QUOTES

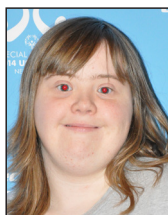

Well, I have that it's a way of life and family time. I have told everyone that the USA Games are a life-changing experience. I look forward to meeting new people and going new places that I wouldn't have gone to without SOMO.

- Allen Tobin, track & field athlete

Participating in the USA Games means a lot to me. It means I get to experience this amazing opportunity with athletes who work hard and believe in themselves. I am most looking forward to seeing the true smiles on the athletes' faces and sheer determination, which will be nothing short of amazing.

- Amanda Geno, bowling Unified Partner®

I am so excited to have been selected to be on Team Missouri in the USA Games. To be on the team, you need to be good in sports. I need to show good sportsmanship at the USA Games and help my teammates. I will face my fears and get on the plane with Team Missouri. I will never give up and do anything I can to win. These are my goals at the USA Games. I am looking forward to meeting new friends. I like visiting new cities. I can't wait to explore New Jersey. My dream is to win a gold medal and do my very best.

- Lindsey Hawkins, bocce athlete
