GOLD MEDAL GALA

October 28, 2017
GRAND HALL ON CHOUTEAU

Special Olympics Missouri

Special Olympics is a movement that unleashes the human spirit through the transformative power and joy of sports, every day. Using sports as a catalyst and programming around health, education, leadership and youth involvement, Special Olympics establishes innovative partnerships that amplify the strengths, abilities, joy, confidence, success and fulfillment of children and adults with intellectual disabilities, on the playing field and in life. In Missouri, we serve more than 15,000 athletes, with 6,300 of them from the St. Louis community.

GOLD MEDAL GALA

At this spectacular event our remarkable and talented athletes will greet you and share a glimpse of their lives and stories. Meeting these Special Olympics stars will be complimented by delicious food and drink stations, entertainment, an online auction of unique items and more. You will walk away talking about remarkable moments and celebrating the difference that you made in the lives of people with intellectual disabilities.
