Come Run, Jump, Throw & Play with us!

The Young Athlete Program is a fun innovative sports program for children (ages 3-7), designed to introduce them to the world of sports. The program was designed to prepare young athletes for Special Olympics competition, but any child will find benefits from participation. Activities range from basic motor skills to more advanced sports skills. Activities include walking and running, balance and jumping, trapping and catching, throwing, kicking, dancing and much more! We truly have something for everyone! The benefits of participation include: motor skills development, hand-eye coordination and social development. **Also, it is a lot of fun!**
