Sincerely
Tim Schuster
Program Director

HIGHLIGHTS

While covid managed to come back and take out our area basketball tournament, things settled down enough for teams to get back on track at the regional level. Tournaments took place in St. Joseph and St. Charles and now teams are in preparation for the State Tournament March 18-19.

With the conclusion of basketball season we will be turning our attention to our spring sports.

Age is of no importance.....unless you're a cheese
