Class of 2024 Hall of Fame nominations are open!

NOW ACCEPTING NOMINATIONS!

We are now accepting nominations for the Special Olympics Missouri Hall of Fame Class of 2024!

The SOMO Hall of Fame was created in 1997 by the Board of Directors as a way to recognize longevity and achievement of athletes and volunteers within the organization. A voting committee, appointed by the SOMO Chairperson of the Board, is responsible for reviewing all nominations and voting on no more than two inductees in each category (athlete and volunteer).

To be inducted, finalists must be named on 75 percent of the ballots. A permanent video display, housed in the Missouri Sports Hall of Fame in Springfield, features photos and bios of each year's Special Olympics Missouri Hall of Fame inductees.
